## QUARTERS DRAMA SETS UP EXCITING DAY

The quarter-finals were held for all divisions yesterday and produced some fantastic games and highlight plays.

The Men's quarter-finals saw Revolver (USA) and Doublewide (USA) record relatively comfortable wins over European opposition, while GOAT (CAN) defeated Nomadic Tribe (JAP) 15-12. The surprise of the day came in the other Men's quarter, where Colony (AUS) rode a strong

offensive performance to overcome Ring (USA) 15-14. They now face Doublewide, while Revolver will match up against GOAT.

In the Women's division, the quarter-finals went as expected. Brute Squad (USA) will now face crowd favourites Revolution (COL) in their semi-final, while Molly Brown (USA) and Riot (USA) will meet in an all-American affair in the other. All eyes are on whether Revolution can break the American hold on the title.

The Mixed division saw a shock, too. The top overall seed Seattle Mixtape lost to Slow White, setting up an all-Boston semi-final between Slow White and Wild Card. The other side of the bracket features two American teams too, with AMP facing BFG.

The placing games lower down the draw will conclude today, so by the end of the day's play we'll only have six teams remaining - our finalists. Enjoy the final day in Lebanon! Follow online here: [wucc2018.com/Follow/Live](http://wucc2018.com/Follow/Live).

## MEET THE ADVISORS

OLIVER BROWNE, LIVERPOOL UK

**What's your favourite hand signal?**

Double game point, the double dab. It gets complicated in Mixed with everything you have to signal before the point though!

**What's the best thing about being a game advisor?**

Helping both teams to play their best Ultimate by eradicating some of the smaller details that stop play in games.

**What's the best game you've ever advised?**

Colombia vs USA in the pools at the World Games was incredible, and Colombia vs Austria at under-24s in Perth was incredibly well-spirited despite a long, long comeback by Austria.
